THZ182CA | Targus Vuscape™ Case & Stand for iPad® mini (Black)

The iPad® mini Vuscape™ offers durable protection for your iPad. With a molded cradle and slender silhouette, your iPad is covered front to back for high protection.

Durable exterior material for added protection and is easy to clean with the occasional spill. The interior is lined with soft, plush material to prevent scratches on your device.

The case converts to six landscape viewing positions to give you the most out of your iPad viewing experience and switches to a sturdy typing position when you're ready to type on your iPad. For added viewing security, six silicone strips hold your iPad in place.

Molded, custom molded cradle keeps your device secure and gives you easy access to all ports.

Designed specifically for the iPad® mini

Typing position as iPad slots into front tab; Six viewing angles with silicone strips to hold iPad in place; Topstitching design for simple elegance; Easy-to-clean cover; Custom-fit iPad shell for strong protection and easy access to all ports; Plush, durable inside lining

Durable, water resistant padded twill exterior shell
